Hi Hanne,

You can place me "on call" for 12/13. I am on call for a Malden Dist case that day as well.

Thanks,
Kate

Hi Della and Kate:

I am the ADA assigned to the above-captioned case, which was set for trial last week (11/2/2010). The case is now scheduled for trial on December 13, 2010. I want to make sure this is a good day for you so that I can place you "on call" to testify. I will send you a summons by mail.

Thanks for your help,
